MEMORANDUM FOR DISTRIBUTION

SUBJECT: Announcement of the DISA Field Security Operations (FSO) Technical Interchange Meeting (TIM) for the Database Security Checklist for MS SQL 2005, Version 8, Release 1.1

1. DISA Field Security Operations (FSO) has developed the Database Security Checklist for MS SQL 2005, Version 8, Release 1.1. The checklist is available at <http://iase.disa.mil> or <https://www.us.army.mil/suite/page/429668> for your review and comments.
2. FSO will host a TIM for the checklist on 15 January 2008, 0930 – 1500 EST hours via an audio conference and web conference. The audio conference number for the TIM is DSN 570-8999 or Commercial (717) 267-8999. The url for the web conference is <https://meeting.e-collabcenter.com/iwc/center/meetingdetails.jsp?meetingId=83A19C9B6CDCDF54DB985151F7309376> and the password is mssql2005. Additional information concerning the web conference is included at enclosure.
3. The purpose of this TIM is to provide the user of the checklist an opportunity to discuss the requirements with the STIG subject matter expert (SME) and identify operational issues or concerns with the requirement. Ideally, FSO would like participation from every organization using the STIG and checklist. Recommended attendees for this TIM include System Administrators, Information Assurance Officers and Managers, Database Administrators, and Application Developers.
4. To register your attendance, contact the POC (in paragraph 5 below) by 10 January 2008. If you are unable to attend the TIM, please provide comments, recommended changes, and/or additions to the checklist by 29 January 2008 on the Comment Matrix spreadsheet. The spreadsheet is available at <http://iase.disa.mil> and <https://www.us.army.mil/suite/page/429668>. Comments should be sent to: fso_spt@disa.mil and please include the title and version of the STIG in the subject line of your email.
5. Point of contact for this action is Ms. Sue Kreigline, DSN 570-9858, Commercial (717) 267-9858, E-Mail: sue.kreigline@disa.mil.
